LWBJ is one of the Midwest's leading CPA, business advisory and M&A firms. By size, we rank in the top one percent of CPA firms nationwide, and our team brings a wealth of national firm expertise to the table. Our entrepreneurial experience enables us to understand and appreciate the issues facing middle-market businesses and the individuals and families who own them. We deliver a broad range of tax, accounting, consulting and investment banking capabilities to serve them.

Our dynamic and growing business is creating new and exciting opportunities for our team.

### **Candidate must also possess the following:**

### **The LWBJ Employee Experience**

Our founders came from national firms, but wanted to build more personal and collaborative relationships with clients and staff. And 27 years later, our culture continues to thrive. While roles, responsibilities and expectations are similar to those in other sophisticated public accounting firms, we encourage everyone to work a schedule that fits their needs – with flexible scheduling options, a casual dress code and summertime hours (including half-day Fridays). Travel is minimized. Work-life balance is highly valued. Entrepreneurial spirit is nurtured and appreciated. We are focused on helping our people advance and enjoy rewarding careers. Mentorship and continuing education are provided, as well market leading compensation and benefits.

You'll be able to engage clients directly and work on the kinds of projects typically handled by national firms – but within a smaller firm setting focused on team-building, employee growth and client success. We not only expect you to become more experienced and successful early in your career, we work to help you accomplish it.
